Re: Z.C. Case No. 10-32 (Georgetown University Campus Plan 2010-2020)

Dear Chairman Hood and Members of the Commission:

We understand that the DC Office of Planning (OP) and the District Department of Transportation (DDOT) have requested today that their positions in this case be filed on May 7 (rather than today) and their presentation take place at the hearing scheduled for May 12.

We believe their reasons are good ones for making this request. Georgetown University filed voluminous new material only recently, and the parties need time to digest, analyze and respond to it. Our ANC's, no less than OP and DDOT, need this time. And we need to have the OP and DDOT reports in hand as a foundation for our presentation.

We respectfully request, therefore, that the regular order of presentation be followed so that the ANC presentation comes after OP and DDOT have presented, on May 12. The April 14 hearing would then focus on a presentation by Georgetown University, cross-examination related to that presentation, and perhaps presentations by any individuals in support of the applicant's position. Presentations by OP, DDOT, ANC etc. could then proceed in the regular order beginning on May 12.

This letter is submitted on behalf of ANC 2E (which I chair) and ANC 2D (by authorization of Tom Smith, chair of ANC 3D).

Respectfully submitted,

Ron Lewis
Chair, ANC 2E, for ANC 2E and ANC 3D
