

HYDE-ADDISON ELEMENTARY SCHOOL

September 29, 2010

Mr. Anthony Hood, Chair
Zoning Commission
4414th Street, NW
Washington, DC 20001

Dear Mr. Hood:

Please accept the following letter in support of Georgetown University's and their new Campus Plan.

Georgetown University has been an excellent neighbor to Hyde-Addison Elementary School for the past several years. Students regularly volunteer as tutors and mentors. In addition, students have completed various large-scale service projects and clean-up days to help beautify the school. Finally, the University has consistently donated funds and goods to our annual school auction, a major fundraiser that helps supplement our budget from the school system.

Should you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Dana Nerenberg
Principal
