Notes

Donna,

On behalf of the Van Ness Street Residents' Association, I would like to have 3 residents present oral testimony early about conditions on the street, and the impact of UDC expansion on the neighborhood. One is a mother with young children who has to hire a sitter to appear, two others have jobs that require that they leave home early. I have raised their testimony with lawyers for UDC, ANC, and Van Ness South Tenants' Association. They have all agreed. No objection. Can Zoning arrange to let these 3 appear after the ANC traffic expert (and early in the hearing)?

Please call me at 202-204-3023 if you have questions about this.
