**Re: The University of the District of Columbia Student Center for the
University of the District of Columbia Zoning Commission Case No. 11-02A**

Dear Chairman Hood and Members of the Commission:

During the May 2, 2011 hearing on the Campus Plan and Student Center, the Commission requested certain more detailed drawings of the proposed Student Center. Specifically the architects were asked to prepare:

- (1) Rendered illustrations of the ground floor entrances (Sheets A06.1, A06.2).
- (2) Enlarged elevations with materials indicated (Sheet A07.2).
- (3) Detailed ground floor sections (Sheet A07.1).
- (4) Refinements to the entrance to the Student Center (Sheet A10.1).
- (5) Revised perspectives (Sheets A10.2, A10.3, A11.2).
- (6) Site orientation plan that shows the "shortcut" that neighbors use to access the Metro (Sheet A03).
- (7) Sidewalk context diagram (Sheet L14).

We have included additional drawings as well in an effort to present as complete and detailed a set as possible. We look forward to the Commission's consideration of this matter.

Sincerely,

Allison C. Prince

David Avitabile
