RE: Case 12-08; Text and Map Amendments to Create and Implement the Saint Elizabeths East (StE) District for the Saint Elizabeths East Campus

The Anacostia Economic Development Corporation (AEDC) has been provided with the Notice of Public Hearing of the above referenced Case to be heard before the District of Columbia Zoning Commission, as set for Thursday, October 18, 2012.

Having reviewed the case materials associated with the proposed establishment of the Saint Elizabeths East (StE) District; describing General Provisions, Purpose, Uses and other salient requirements, the Anacostia Economic Development Corporation finds the establishment of the StE District, and the adoption of Text and Map Amendments, consistent with the preferred redevelopment plans and strategies of this organization.

Notwithstanding the additional materials to be provided for review and comment relative to individual sub-districts, the Land Use and Urban Design principles provide a framework for the redevelopment of this important and historically significant property.

Your most favorable consideration is requested.

Respectfully,

Michael D. Wallach
Interim President & CEO
