

OUTLINE OF TESTIMONY OF HANSEL BAUMAN,
DIRECTOR OF CAMPUS PLANNING AND DESIGN,
GALLAUDET UNIVERSITY

- I. Introduction
- II. Description of Campus
- III. Preparation for 2022 Campus Plan
 - A. Internal
 - B. Community Outreach
 - C. Urban Land Institute
 - D. Office of Planning
 - E. DDOT
 - F. ANC
- IV. Major Goals of Campus Plan
- V. Elements of Campus Plan
 - A. Phase I
 - B. Phase II
 - C. Phase III
- IV. Further Processing
 - A. Fay House
 - B. Ballard House
- VIII Conclusion

select planning projects

6th Street Corridor Revitalization, Gallaudet University, Washington D.C.
2007 / Current, Urban Designer, Campus Planner
Preliminary concept development for new university programs and revitalization of the campus' 6th Street frontage and properties located within the adjacent Capital City Market

Long Range Development Plan, University of California, Berkeley Lab
2004-2006 / Senior Site Planner
Site master planning and feasibility studies: campus land use plan, conceptual development plan, policies and design guide for the Laboratory's Long Range Development Plan.

Missouri City Planning & Economic Development Strategies, Missouri City, Texas
2002 / Planner
Site assessment and preliminary land-use plan for three mixed-use master plan developments.

Sugarland Planning & Economic Development Strategies, Sugarland, Texas
2002 / Planner
Preliminary land-use plan for five master planned developments, combined, provide 5,000 acres of mixed use development centered around multiple village centers.

Master Plan, Spallation Neutron Source, Oak Ridge, Tennessee
1999 – 2000 / Senior Planner, Programmer
Programming and master planning for a 3.4 billion dollar, scientific research facility featuring an underground proton accelerator, neutron beam experiment hall, lab and office facilities and support buildings.

Master Plan, Read-Rite Corp. Headquarters Campus Hayward, California
1997 – 1998 / Planner
Master plan for a mixed-use office, R&D, and high-tech manufacturing campus organized around a central green and multiple courtyards.

select architectural projects

academic
Gallaudet University, Washington D.C.
2006 – Present / Architect, Instructor, Project Leader
"The Deaf Space Project" A Campus Design Guide for all new campus buildings and renovations developed through a collaborative process centered around four special, semester long design courses offered at the University.

Gallaudet University, Washington D.C.
2005 – 2006 / Consulting Architect
"Deaf Aesthetic Principles for the Sorenson Language and Communications Center" a new 85,000 sf classroom, research/office building. Developed the project's design guidelines through a collaborative effort with leaders of the Deaf community.

Rice University, Huston Texas
2003 / Research and Design Consultant
Design principles for "Collaborative Environments for Scientific Research"

select architectural projects

academic

Training Facility, Great Lakes Laval Base, Great Lakes, Illinois

1999 / Senior Designer

Concept design for a 15,000 sf training facility including classrooms and high bay laboratory space.

Sharron Elementary School, Sharron Massachusetts

1990 / Project designer

Concept design for a 60,000 sf elementary school for grades K-6 including a multi-purpose room, gymnasium, library and group study areas.

Goffstown Middle School, Goffstown New Hampshire

1988 – 1990 / Project designer

Concept design, design development for a new 200,000 sf middle school.

Berkeley Elementary School, Berkeley Massachusetts

1985 – 1988 / Project Architect

Design development and contract documents for a new 50,000 sf facility

Sunderland Elementary School, Sunderland Massachusetts

1986 / Project Team

Contract documents for a new 43,000 sf, K-6 grade elementary school.

national laboratories

LIGA Facility, Sandia National Laboratories, Livermore, California

2001 / Design Lead

Programming and Concept design study for a 50,000 sf controlled environment research facility.

Central Lab & Office, Spallation Neutron Source, Oak Ridge, Tennessee

2000 – 2001 / Senior Designer

Concept design, design development and contract documents for a 270,000 sf, mixed-use facility including laboratories, offices, conference and dining facilities.

Residential

DeafHope, Oakland, California

2007 - Current / Design Principal

Pre-design and programming for a 52,000 sf transitional housing and social services facility. The facility will feature the DeafSpace design principles

advanced technology

HeJiean Microelectronics, Schzou China

2001- 2002 / Design Lead

Master Plan, architectural concept design and detailed design for a 70,000 sm, mixed-use office and manufacturing facility.

Winbond Microelectronics, Hsinchu, Taiwan

2001 / Design Lead

Concept design study for a 65,000 sm mixed use office and manufacturing facility.

advanced technology & manufacturing

Tech Center, Commonwealth Edison Company, Chicago, Illinois

1999 / Senior Designer, Programmer

Feasibility Study for a new high voltage transformer maintenance facility.

EPI Facility, Agilent Technologies, Singapore

1998 / Senior Designer

Concept design and systems coordination for a 4,000 sm controlled environment manufacturing facility.

Read-Rite Corp. Headquarters, Hayward, California

1997 – 1998 / Senior Designer

Concept design and detailed design for the 100, 000 sf corporate headquarters building.

Madrid II, Lucent Technologies, Madrid Spain

1994 – 1997 / Project Designer

Schematic design, design development and contract documents for a 62,000 sm mixed-use office and manufacturing facility featuring controlled environment manufacturing, offices, and a conference center.

entertainment

Rhythm &Hues Film Studios, Los Angeles, California

1995 – 1996 / Project Designer

Space Planning and schematic design for additions and alterations to an existing office and film studio.

Disney Concert Hall, Los Angeles, California

1994 / Project Team

Design development and presentation model studies.

- professional experience **Hansel Bauman hbhm Architects San Francisco, California**
2005 – Current / Principle, Architect + Planner
- University of California – Berkeley Lab, Berkeley, California**
2003 – 2005 / Senior Site Planner
- KNIGHT – M+W Zander, San Francisco, California**
1996 – 2003 / Architect, Planner
- Heather Kurze, Architects, Los Angeles, California**
1995 – 1996 / Project Designer
- Lalo Zylberberg Architects, San Francisco, California**
1995 / Project Designer
- Frank O. Gehry Architects, Santa Monica California**
1994 / Project Team
- Earl R. Flansburgh + Associates Architects Boston, Massachusetts**
1987 –1990 / Project Designer, Project Architect
- teaching experience **Gallaudet University**
2006 – Present / Course Instructor, Deaf Space, Deaf Studies Department
- Southern California Institute of Architecture, Los Angeles, California**
1995 / Studio Instructor, Third Semester, Graduate Studio
1996 / Studio Instructor, Undergraduate Summer Program
1996 / Drawing Instructor, Making & Meaning, Summer Program
- professional / civic **Admissions Committee, SCI-Arc, Los Angeles, California**
1994 / Graduate Admissions Committee Member
- Adobe LA : La Posada, Migrant Residents Los Angeles,**
1996 / Contributing Design Architect
- education **Southern California Institute of Architecture, Los Angeles, California**
1996 / Master of Architecture
- University of Colorado, Boulder, Colorado**
1987 / Bachelor of Environmental Design
- awards **AIA School Medal & Certificate of Merit Award**
SOM Traveling Fellowship, Nominee
