Re: Application No. 12-15 of Gallaudet University for Approval of the Campus Plan, and for Further Processing

Dear Chairman Hood,

On Thursday, October 4, 2012, in a properly noticed meeting with a quorum of Commissioners present, ANC 5B considered the application to the Zoning Commission by Gallaudet University for approval of their Campus Plan and Further Processing application dated August 22, 2012. The number of ANC 5B Commissioners constituting a quorum is six, and seven ANC Commissioners were present. After a full presentation by representatives of Gallaudet University, and upon motion of SMD 5B06 Commissioner Thalia Wiggins, ANC 5B voted 7-0 to support this application.

ANC 5B believes that the application meets the applicable criteria of Sections 210 and 3104 of the Zoning Regulations that would normally be of concern to ANC 5B and the residents of the area, for both the Campus Plan and the requested Further Processing. Specifically, the university has existed at this site for many years, and the proposed improvements to the campus are not likely to become objectionable to neighboring property because of noise, traffic, number of students or other objectionable conditions; and the continued use and proposed improvements to the campus are in harmony with the Zoning Regulations and maps, and are not likely to have any adverse effect on neighboring property.

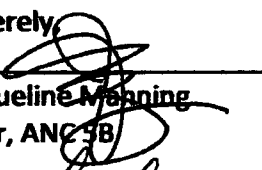

ANC 5B authorizes Jacqueline Manning, ANC 5B Chair; Vaughn Bennett, ANC 5B Vice-Chair; and ANC5B06 Commissioner Thalia Wiggins to present this report at the public hearing.
