Ms. Sampson,

Please see below;

Crimes reported for 6201 3rd Street NW:
2016 Disorderly Conduct, and A business alarm.
2017 a accident property damage
2018 no calls for service

2018 one call for 6200 Block of 3rd Street, NW destruction of property.

Additionally, I have been the PSA 406 Lieutenant since December of 2011. This block has been a very clean and quiet block with very few instances of crimes being reported.

My child attended Goldies Day Care and for such time there was one incident of indecent exposure reported within that block. And the suspect resided in the area. He was arrested.

My officers and I have not received any complaints from the community members, ANC or CAC members regarding the 6200 Block of 3rd Street, NW, Nor are we aware of any concerns from the community involving the VIP Room which is located at 6201 3rd Street, NW all of which is PSA 406.

I am concerned about all the alleged incidents that are being reported on behalf of the community. As well as the reports of narcotics, public alcohol consumption and yet there are no reports or calls to MPD of such. Drinking in public, urinating in public and utilization of narcotics on public space is also illegal. And if MPD is notified of such crimes an arrest would be made. We have no arrest for that block.

If, you need any additional informaion please feel free to email or call 202-730-0601.

Thank you in advance for working with MPD to ensure the safety of the community. I wish you the best in your future endeavors.

Thanks
