To Whom It May Concern:

My name is Doris Gilliam and I live at 1014 6th St., N.E., Washington, D.C. I am aware of the petition filed by Curt S. Hansen for the store located at the corner of 6th and K Streets, NE. I understand Mr. Hansen wants to have seating for customers at his store, that he wants to increase the hours of the store, that he wants to be able to use the basement level of his store for retail, and that he wants to have more than two employees.

I have no objection to the requests made by Mr. Hansen in his petition and fully support him and the Store. I do not see anything bad or wrong with what he has asked for and hope that you will support him and grant his petition. He has a very nice store, which I believe is an asset to the community.

Sincerely,

To Whom It May Concern:

My name is Fritz Jones and I own the property located at 518 K St., N.E., Washington, D.C. I am aware of the petition filed by Curt S. Hansen for the store, known as the Old City Market and Oven located at the corner of 6th and K Streets, NE. I have no objection to Mr. Hansen's petition to allow seating for customers at his store, increase the hours of the store, or use the basement level of his store for retail. I also have no objection to his increasing the number of employees working at the store.

I believe the Market is an asset to the neighborhood and want to see it succeed.

Sincerely,

Fritz Jones
