Re: BZA Application No. 16144, Parkside Development

Dear Ms. Melkonian:

The Board of Zoning Adjustment is in receipt of your request dated March 18, 1996 for a waiver of the filing fees associated with the above-referenced application. The Board does not have a waiver provision in its rules governing fees charged for BZA applications, but has considered your request in determining to reduce the applicable fees.

Based on the corrected memorandum issued by the Department of Consumer and Regulatory Affairs dated April 18, 1996, regarding the appropriate zoning relief required by your development project, the Office of Zoning has determined that the actual fee in this application is $121,200. At its public meeting on May 1, 1996, the Board reduced the fee in the instant application to $60,600. If you require further information on how the fee was calculated, please contact this office on (202) 727-6311.

Your application was scheduled for hearing on an expedited basis and is scheduled to be heard on June 5, 1996. In order for the hearing on your application to proceed, you must submit a check or money order to the Office of Zoning in the amount of $60,600 made payable to the D.C. Treasurer by May 31, 1996.

If you have questions regarding this matter, please contact me on (202) 727-6311.

Sincerely,

MADELIENE H. DOBBINS
Director
