Re: BZA Application No. 16144

Dear Ms. Melkonian:

On June 5, 1996, the Board of Zoning Adjustment considered your request of June 4, 1996, for a further reduction of fees in the above-referenced application.

After discussing and considering the issue, the Board determined that the 50 percent reduction already granted in this application was more than generous and probably should not have been granted. However, because the reduction has been granted, the Board has determined that the fee shall remain $60,600. The Office of Zoning is in receipt of your check no. 3331 dated June 4, 1996 in the amount of $1,000. The balance owed in this case is $59,600.

The Board completed the pubic hearing in this case, and has authorized me to work out suitable payment arrangements with you so that the remaining fees are paid in full prior to the issuance of the order in this case. You may contact me on (202) 727-6311.

Sincerely,

Madeliene H. Dobbins
