Re: Board of Zoning Adjustment Application No. 16144 - Parkside II

Dear Mr. Robertson:

I am writing to inquire about the status of the Parkside II project and to find out when you anticipate paying the fees in the application. Upon your request, the Board deferred dismissal of your application at its public meeting of July 8, 1998. At that time you indicated that you were entering negotiations to resolve some issues that would allow you to proceed with the project. This matter is to be taken up again by the Board at its public meeting of September 2, 1998. Please inform me as to the status of this matter by fax today (or as soon as possible). The fax number is 202-727-6072. If you have any questions, please call Tracey Rose on 202-727-6311. Thank you.

Sincerely,

Tracey W. Rose
