Re: BZA Appeal No. 16239 – USA Waste of D.C. Inc.

Dear Mr. Pernell and Mr. Ferrell:

Thank you for your letter dated February 20, 2002, and received by this office on February 22, 2002, concerning our notification letter of the public hearing in the above-cited case being sent to the wrong ANC. The Office of Zoning has an excellent track record of avoiding such mistakes, and we sincerely regret the inconvenience that this has caused the ANC. We have contacted the attorney for USA Waste of D.C. Inc. and they have agreed to a postponement of the public hearing in order to accommodate the ANC. The next available public hearing date that this matter can be considered by the Board is May 7, 2002. The Board will announce the postponement date on March 5, 2002.

Please feel free to contact Richard S. Nero, Jr. on (202) 727-6311, if we can be of further assistance in this matter.

Sincerely,

JERRILY R. KRESS, FAIA
Director
