Dear Mr. Jenny:

On November 5, 1997, the Board of Zoning Adjustment deferred a decision in the above-referenced application and reopened the record to allow the applicant to file revised plans. The decision was also deferred so that the parties may attempt to reach an agreement. The Board will again consider a decision in the application at its meeting of January 7, 1998 at 9:30 a.m.

The Office of Zoning has requested that the applicant submit the revised plans, and a statement about the agreement (if any), to the Board by Tuesday, December 16, 1997. You may file a response on behalf of your clients, Mr. and Mrs. Turton, by Friday, December 26, 1997, with service on the applicants and Advisory Neighborhood Commission 3-C. The December 26th due date takes into account the three days for mailing. However, I would recommend that you have the response hand-delivered due to the potential for delay caused by holiday mail.

If you have any questions, please contact our office at (202) 727-6311.

Sincerely,

MADELIENE H. DOBBINS
Director

cc: Mr. & Mrs. Turton
