Dear Mr. Mendelson:

On November 5, 1997, the Board of Zoning Adjustment deferred a decision in the above-referenced application and reopened the record to allow the applicant to file revised plans. The decision was also deferred so that the parties may attempt to reach an agreement. The Board will again consider a decision in the application at its public meeting of January 7, 1998 at 9:30 a.m.

The Office of Zoning has requested that the applicant submit the revised plans and a statement about any agreement reached by December 16, 1997. Advisory Neighborhood Commission 3-C may file a response to the applicant's submission by Friday, December 26, 1997. Please serve your response on the other parties to the application and file a certificate of service with the Office of Zoning.

If you have any questions, please contact our office at (202) 727-6311.

Sincerely,

MADELIENE H. DOBBINS
Director
