BZA Application No. 16297

Dear Sheri Pruitt,

Thanks so much for explaining the process to me. The letter that was sent to the architect had never reached me. So I just found out about it in Beverley Bailey's Aug 15th fax..

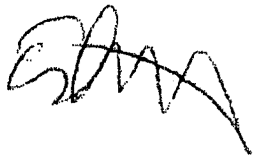

I still want to take the next step but am not certain which of the four options outlined in that letter I should take.

But as I am leaving the country on business for the next couple of months, I will be unable to put my full attention to this until my return.

Therefore I ask you to delay this matter until I have had a chance to meet with staff upon my return.

Thanks ever so much.

Eddie Becker
