RE: BZA CASE NO. 16339

This is a petition in support of Karan Buster's application to operate a "Day Care" center (Child Development Center) After Care and office at 801 Rittenhouse Street, NW.

We welcome the presence of a neighbor who shows interest in her property as Mrs. Buster has. The house on the corner where she will have the center was an eyesore and she has made a difference. She is enthusiastic and has been busy cleaning the northeast end of the block where she cleans the street regularly. It appears that she and her center will make a tremendous contribution to our neighborhood, our community and the children that she will serve.
