Dear Ms. Buster:

Re: BZA Application No. 16339

In a letter dated July 1, 1988, you requested that the Board of Zoning Adjustment (BZA) waive the applicable Rules to allow for a late filing and a motion for Rehearing of the above referenced application to increase the number of students, (25) previously approved on June 3, 1998.

The Board reviewed the file on this case and found that the letter dated July 1, 1998, is not in the file. Would you please send a copy of the letter to the Secretary to the Board. We need the letter to update the file and continue the Rehearing process.

If you have any questions please contact Vincent Erondu at 202-727- 0340.

Sincerely,

Sheri M Pruitt

Sheri Pruitt
Secretary to the Board
