Re: Application # 16340

Advisory Neighborhood Commission 1-C requests a waiver of the seven day requirement for our reply concerning this application for a variance. This letter is to serve as our reply.

Advisory Neighborhood Commission 1-C met on May 6, 1998, with proper notification and with eight (8) Commissioners present, constituting a quorum.

The Commission approved supporting this application by a vote of three to one with three abstentions, with the understanding that Eshetie will maintain the cleanliness of the sidewalk from his property to Kalorama Road NW.

Commissioner Carolyn Llorente, ANC 1-C07, in whose single member the property is situated, is authorized by the Commission to present this report.
