Dear Madam,

I am writing this letter in reference to the application No.16340. As you may remeber the hearing has been held on June 3/1998,and has been on hold for six monthes untill the landlord give the approval.However,since the building is on the process of closure the new owner is not yet known. Therefore, I here by requesting your office to give me another extension of time untill the new body claim the ownership of the premises.

Sincerely
