Re: Application No. 16340

Dear Mr. Yemiru:

This case was originally scheduled for a public hearing on June 3, 1998. At that hearing the case was continued to December 2, 1998. At the December 2, 1998 public meeting, you requested and received a further postponement for an indefinite period to allow ownership of the subject property to be determined. You were advised that once ownership was established that you should contact this office so that we could proceed with your hearing. You were also informed that you would need a letter of authorization from the owner to go forward.

You have not responded to any of the above concerns. The Board of Zoning Adjustment (BZA) is therefore requesting that you inform this office in writing, by March 30, 2000, of your plans for this application. If there is no response by close of business on March 30, 2000, the BZA will consider a dismissal of the application at its April 5, 2000 public meeting.

If you have any questions, please contact BZA secretary Sheri Pruitt on 202-727-3780.

Sincerely,

JERRILY R. KRESS, FAIA
Director
