RE: Application No. 16340 of Eshetie Yemiru for a special exception to establish a parking lot at 2327 Champlain Street, N.W. (Square 2563 Lot 879)

Dear Mr. Yemiru:

This case was originally scheduled for public meeting on June 3, 1998. At that hearing, the case was continued to December 2, 1998. At the December 2, 1998, public meeting, you requested and received a further postponement to allow ownership of the subject property to be determined. You were advised that once ownership was established that you should contact this office so that we could proceed with your hearing.

On March 21, 2000, by letter the office inquired about the status of the ownership of the subject property. You have not responded to any of the above concerns. This case has been pending for almost two years. Unless you can provide the office with the needed information by the close of business on December 28, 2000, the BZA will consider a dismissal of the application at its January 2, 2001 meeting. If the BZA dismisses your case, you can reapply for the special exception once the ownership is determined.

If you have any questions, please contact BZA Secretary Sheri M. Pruitt on 202-727-3780.

Sincerely

JERRILY R. KRESS, FAIA
Director
