ZONING: R-4

Dear Ms. Williams:

The Capitol Hill Restoration Society is filing the accompanying appeal from the decision of the Zoning Administrator to issue a Home Occupation Permit (Permit No. 98-0271) to Jack Milton Fields at the above address.

We request that the filing fee be waived per section 3380.4(c) of the Zoning Regulations because the Society meets the two conditions specified:

(1) The Society is a nonprofit association; it is incorporated under the laws of the District of Columbia. We are a 501(c)(3) organization; our Federal EIN is 23-7104192.

(2) The Society was created for a civic purpose. Our articles of incorporation state the following purposes:

> (1) to improve conditions in the Capitol Hill community by identifying community problems and encouraging the resolution by community members;
>
> (2) to support the improvement and preservation of Capitol Hill as a model urban residential area;
>
> (3) to support historic preservation of buildings and sites on Capitol Hill and elsewhere in the city of Washington;
>
> (4) to preserve, support, disseminate, and encourage good practices in preserving and restoring buildings and sites on Capitol Hill;
>
> (5) to present the views of its members to other organizations, the public, and governments; and
>
> (6) to engage in any lawful activity which may serve the interests of the community.

We believe that these facts satisfy the conditions specified in section 3380.4(c) and we request that the filing fee be waived.

Sincerely,

Brian R. Furness
President
