Dear Dr. Shin:

I was delighted to hear at the December 14, 1998 meeting of the Advisory Neighborhood Commission that MedLink hospital will honor the previous parking agreement with St. James' Church as a contingency for approval of the hospital's new intermediate care beds. We look forward to using your above-ground and underground parking lots for our worshipers, beginning with our Christmas Eve service tomorrow night. As you promised at that same ANC Meeting, please contact me immediately at the Parish Office to discuss final details for the opening of the parking lots. Our number is (202) 546-1746.

I hope that our renewed cooperation in honoring these parking agreements will signal a new beginning of many years of joint community service on Capitol Hill between St. James' Parish and MedLink Hospital. I wish you and your family a blessed Christmastide and richly blessed New Year.

The Lord Be With You,

Richard E. Downing, Rector
