Dear Ms. Reid:

I am a Capitol Hill resident concerned about the parking case of Medlink Hospital (BZA Order #16407-A, dated 9-8-00). I understand that a BZA hearing was held in June 2000, without adequate public notification, that reduced the number of parking spaces required by Medlink. I also understand that Medlink has not been in compliance with the original BZA order (16407, 10-21-99) which required them to provide 276 off-street spaces and to open their underground parking garage. In light of the circumstances, I request that this case undergo a "re-hearing" with proper neighborhood notification.
Thank you.

Sincerely,

Ellen Anderson
