Jerrily Kress, Director
Office of Zoning
Government of the District of Colombia
Washington, D.C.

Dear Director Kress:

I am writing regarding the proposed development of the Capitol Hill Hospital/Medlink facility by the Holladay Corporation, BZA order 16407-A.

I ask, as a close neighbor of this facility, that you take more time to review this proposal. It seems that the developer's plans for parking are constantly changing, with the end result heading toward providing fewer off-street parking places. In a neighborhood where parking is already at a premium, Holladay's plans could cause serious safety and trafic problems in this residential area.

Thank you for your consideration.

Sincerely,

/s/

Mark Engman
