Application No. 16407

To the Members of the Board:

The Stanton Park Neighborhood Association (SPNA) is a nonprofit, non-partisan community organization that works for the improvement of the Stanton Park neighborhood on Capitol Hill. Our boundaries are Second Street, NE, H Street, NE, Eleventh Street, NE, and East Capitol Street.

The Land Use Committee of SPNA hereby moves to intervene in this proceeding on the application of the Capitol Hill Group for approval of its request to maintain fewer off-street parking spaces than required under its Certificate of Occupancy. We would like to participate as a party to the proceeding, and intend to submit another letter setting forth our views of the application prior to the hearing on this matter, which we understand has been scheduled for February 13, 2001.

Sincerely,

D. Blakeway

Darrell Blakeway, Secretary
SPNA Land Use Committee
