16443
(medical variance)

April 6, 1999

TO WHOM IT MAY CONCERN:

Re: Ramon Kraus

MR. KRAUS IS UNDER MY CARE FOR ADVANCED Diabetes, SEVERE Hypertension, an amputation, congestive heart failure and diabetic kidney and eye disease. He is bedridden and in need of chronic home care from several providers. These providers have difficulty parking in his busy neighborhood. He needs the extension to his permitted parking place and is seeking a medical variance from the D.C. Zoning Board. I support this request.
