RE Application #16443

Dear Ms. Pruitt-Williams:

As a homeowner who lives across the street from 2964 Newark Street, NW, we are responding to the above application "to extend and enlarge an existing parking space for personal use."

Despite the regrettable and serious health issues which confront Mr. Rainer Kraus we believe it is inappropriate to enlarge the existing parking space beyond use for one vehicle.

We understand the District Government will designate the parking space in front of 2964 Newark Street, NW for Mr. Kraus' use only, as well as provide an additional vehicle with a Ward 3 parking sticker. We hope the D.C. Government will move with all speed and compassion to provide Mr. Kraus with this additional, guaranteed on-street parking.

Sincerely,

Barbara C. Jorgensen
