Dear Board:

My wife and I have lived at 2952 Newark Street, NW since 1968. We know Mr. Kraus who has applied for the zoning variance, and Mr. Selfe who opposes it. We have had an opportunity to review the basis for the opposition. It appears that the need related to Mr. Kraus' disability could be met by the single parking space on his property and a dedicated space for his exclusive use on the street. I can confirm that Mr. Kraus' handicap van is parked on the street and that the parking spaces on his property are used by able-bodied persons who live in his house. Accordingly, we support Mr. Selfe's opposition.

Very truly yours,

William E. McDaniels
