Re: BZA Application No. 16443 (Area Variance for 2694 Newark Street, N.W.)

Dear Chairman Reid:

It has recently been brought to my attention that I was represented in a memorandum in opposition to the above application as having taken a position on this matter. This letter is to clarify that after reviewing this matter as the Commissioner for the single member district in which the property is located, I recommended to the Advisory Neighborhood Commission (ANC) at our March 22nd public meeting that the Commission not take a position on this case. I did not take a position separate from the ANC as the Commissioner for this SMD.

Sincerely,

Ruthanne G. Miller
