Dear Madam Chair:

Advisory Neighborhood Commission 6C, voted unanimously at its February 7, 2000 meeting to approve the Agreement between Advisory Neighborhood Commission 6C and KSI, Inc., a copy of which has been furnished the Board of Zoning Adjustments. Present and constituting a quorum were Chairman Ronald King, Secretary Oliver Johnson, Treasurer Drake Wilson, and Theodora Butler.

This action of our Commission culminates exhaustive review and consideration of the KSI, Inc. Homes at Woodmont development project. Representatives of KSI appeared before us and community groups throughout the spring and summer months to hear our concerns and incorporate excellent suggestions as a result of this remarkable and unprecedented participation.

We thank the Board of Zoning Adjustments for its deliberate and thoughtful review of this request for zoning variance.

Sincerely,

Ronald King
