RE: KSI Reopening of Application 16457

Dear Ms. McCarthy:

I am writing this letter to you as a Party representing the Fairlawn Citizens Association to the above mentioned application to be heard by the Board of Zoning Adjustment (BZA) of Wednesday, February 16, 2000. We the citizens of the Fairlawn community who live in close proximity to this development adamantly oppose the development of anymore apartments being built in South East Washington. We have too many abandoned, boarded up and half-empty multi-family dwellings that could and should be renovated.

The Ward Eight Plan, Title 10 (Chapter 19), August 1995, developed under Mayor Marion Barry and Mayor Sharon Pratt Kelly, encourages renovation of existing buildings and single family houses for home ownership. Also, Mayor Anthony Williams is asking for development of single family houses and home ownership to stabilize communities.

Because of our lack of trust in Mr. Richard Knapp, the developer of this project, we recommend that the following be included in your report to BZA: (1) that the Certificate of Occupancy for the apartment buildings be linked to the completion of the single family homes and the two should be completed for occupancy at the same time; (2) that all structures be compatible to the existing structures already in the community with no aluminum siding; and (3) that the fronts of all of the homes to built on the main thoroughfare face the homes directly across the street on Good Hope Road.

We appreciate your consideration in granting us our requests. Thank you.

Sincerely yours,
Thelma E. Jones

Dear Ms. Jones:

Please be informed that the Anacostia Economic Development Corporation's (AEDC) letter of October 12, 1999, to Advisory Neighbhorhood Commission Chairman Ronald King regarding KSI Services proposed single family housing development was written at the request of Rosalind Styles, a consultant to KSI Services. AEDC's letter was in support of the proposed development of 37 single family homes and in no way was it in support of the planned apartment rental complex on Good Hope Road, S.E.

I live in one of the residential sections of Southeast parallel and horizontal to some of the throughfares such as Good Hope Rd, Minnesota Ave, Pennsylvania Ave and Naylor Rd. The rush hour traffic detours from the Main throughfares thru our residental Neighborhoods causing gridlock. Just think of the additional traffic that will be cause by 176 more apartments and 33 homes developed by K. S. I. under Application 16457. For this reason as I stated earlier I am totally oppose to the building of additional apartments.

To whom it may concern,

Re: KSI The proposed development at the 2200 block of Good Hope Road.
Our preliminary review has uncovered the following:

1. The effects of construction on the environment.
Construction on the scale of what is proposed for the 2200 block of Good Hope Road would have severe effect on natural environment of the area. In an area of the city where natural beauty is desperately needed, construction would be a set back. One would assume the City Government would like to add to and enhance, not diminish, what is left of the existing natural park land is left. The enhancement of natural beauty would be a benefit to the community.

2. The effects of construction on traffic.
In an area already stricken with severe traffic problems added construction would be an overwhelming problem. This would effect not only local transportation, but also traffic to and from Maryland residents who congest our area every rush hour. An avoidance of any new traffic delays would be in the best interest of a local government dependent on Federal approval that includes oversight from representatives from other local jurisdictions.

3. The effects of a rear facing houses on residential housing in the area.
A rear facing houses would bring down property values of an area recently enhanced By the addition of Metro. In a time where we are leading the nation in residential housing (a major plus for our city), a rear facing houses would not help. Especially in an area of the city in need of single family housing.

I have been a civic-minded homeowner in Fairlawn for 33 years. Thus, I (as well as other area homeowner) can foresee the effects on the environment, traffic and property values this project would cause. Therefore, I propose you review your plan for his rear facing houses complex, with the interest of the area residents in mind.

Thanks for your consideration.

I AM DELIGHTED TO HAVE THE OPPORTUNITY TO ADDRESS YOU TODAY.

KSI'S APPLICATION 16457 HAS BEEN AND EXPERINECE FOR MY COMMUNITY.

THIS APPLICATION DIVIDED THE COMMUNITY IN A WAY THAT I HAVE NEVER SEEN BEFORE AND I HAVE BEEN A RESIDENT OF ANACOSTIA /FREDERICK DOUGLAS/FAIRLAWN FOR MORE THAN 20 YEARS.

WE, THE COMMUNITY RESIDENTS HAVE DISAGREED, BUT NEVER LIKE THIS. WE HAVE A WHOLE NEW GROUP OF PROFESSED LEADERS. OUR NEW SELF APPOINTED COMMUNITY LEADERS DO NOT KNOW THE COMMUNITY NOR THE HISTORY OF OUR COMMUNITY. IT IS NOT THAT WE DO NOT WANT ANYTHING NEW TO COME TO OUR COMMUNITY IT JUST THAT WE HAVE SEEN THE HISTORY OF HOW FOLK COME DO AND GO.

I OPPOSE THIS PROJECT, BUT I WOULD LIKE TO ADDRESS A COUPLE OF ITEMS THAT WERE DISCUSSED

Dear Mrs. Gray:

I have the greatest respect for you and your organization. The contributions made by the Frederick Douglas Community Improvement Council are invaluable to our community. However, I am at a lost regarding your statement charging me with "maligning your association at a Board of Zoning Adjustment hearing. You where not there! Which may be why you did not identify exactly how I maligned your organization.

It is obvious from the tone of your letter that you and your husband are still bitter from the decision the voters made on November 1996, replacing your husband with me on the DC Board of Education. It is very unfortunate that your personal grief has caused you to use your position as President of the Frederick Douglas Community Improvement Council to mislead your organizations membership and others with the bogus statements made in your letter.

I forgive you and hope you put me on your organizations next agenda; I will speak on any issue within the scope of my position as your DC Board of Education Member.

Please feel free to call me anytime!

THE LAST TIME WE WERE HERE.

OFFICE OF PLANNING SPOKEMAN STATED THAT HE HAD A LONG TELEPHONE CONVERSATION WITH MRS. JONES AND SHE TOLD HIM WHAT THE FAIRLAWN RESIDENTS WANT TO SEE IN THIS DEVELOPMENT. WELL MRS JONES CALLED OFFICE OF PLANNING AFTER FINDING OUT THAT THIS PROJECT IS ALREADY APPROVED,IT WAS JUST A MATTER OF WAITING ON OFFICE OF PLANNING TO SUBMIT THEIR REPORT WHICH WAS GOING FAVOR THE APPROVAL OF THE PROJECT. THE WORD IN OUR COMMUNITY FROM DAY ONE HAS BEEN THAT THIS PROJECT WAS ALREADY A DONE DEAL.

AND BELIEVE IT OR NOT SOME OF THE ORGANIZATIONS IN OUR COMMUNITY ARE MOVING FOWARD WITH BOARDS AND SUB COMMITTEE. THE HEALTH CLUB OWNER IN MY COMPLEX IS PREPARING TO MAKE A TRANSITION. HE IS GOING TO BE THE CHIEF OF SECURITY AND SEVERAL THINGS HAVE LET US KNOW THAT THIS IS ALREADY GOING TO TAKE PLACE. BUT FAIRLAWNS POSITION IS WE ARE STILL GOING TO LET EVERYBODY KNOW THAT WE ARE GOING TO TAKE A STAND FOR WHAT WE BELIVE OR FOLK WILL THINK THAT ALL OF SOUTHEAST WILL FALL FOR ANYTHING OR TAKE ANYTHING. WE THE MEMBERS OF FAIRLAWN ARE APARTMENT DWELLLER AS WELL AS HOMEOWNERS.

NO ONE CAN TALK ABOUT YOUR COMMUNITY LIKE YOU CAN. I LIVE ON GOOD HOPE ROAD AND I WANT TO ADDRESS THE TRAFFIC ISSUE. I DON'T THINK A TRAFFIC STUDY HAS DONE MY COMMUNITY JUSTICE. YOU SEE SEVERAL YEARS AGO, WHEN NADINE WINTER WAS MY COUNCIL PERSON, I LOBBIED NADINE AND

TWISTED HER ARM TO HELP ME GET A LIGHT AT THE DRIVEWAY OF MARBURY PLAZA. WE TOLD MRS WINTER THAT WE WOULD NO LONGER SUPPORT HER AND WE HELD VOTER REGISTRATION DRIVES. MR JESSAMY WAS THE PRESIDENT OF OUR TENANT ASSOCIATION. THERE IS A LIGHT AT OUR DRIVEWAY. RECENTLY, I ASKED SGT ANDERSON OF THE 6 POLICE DISTRICT WHO HAS SINCE BEEN PROMOTED AND MOVED OUT OF THE 6TH POLICE DISTRICT , TO HAVE ONE OF HIS MIDNIGHT OFFICERS JUST SIT IN MARBURY PLAZA'S PARKING LOT AND SEE HOW MANY FOLK RUN THAT LIGHT EVERYDAY. CHECK WITH LT MOSS OF THE 6TH DISTRICT NOW. DURING THE TIME THE LIGHT WAS MONITORED ON ONE DAY OFFICER B MILLER GAVE OUT 34 TICKETS, JUST THINK HOW MANY GOT AWAY WHILE HE WAS WRITING A TICKET. TRAFFIC ON ANY GIVEN DAY IS VERY VERY HEAVY SOMETIME IT TAKES THE LIGHT CHANING 3 TIMES BEFORE OUR RESIDENTS CAN GET OUT OF OUR DRIVEWAY. FOLK GO THROUGH THE LIGHT AND BLOCK THE DRIVE WAY. WE THE RESIDENTS OF MARBURY PLAZA HAD A HARD TIME TRYING TO GET IN AND OUT OF OUR DRIVEWAY. MY LATE HUSBAND WAS SERIOUSLY INJURED AND HAD TO BE CUT OUT OF OUR CAR, MY DAUGHTER WAS HIT TURNING INTO THE DRIVEWAY OF MARBURY PLAZA TRAFFIC COMING FROM THE PROPOSED DEVELOPMENT WOULD COME DOWN THE HILL AND FROM 25TH AND GOOD HOPE TO MARBURY PLAZA'S DRIVEWAY THE SPEED LIMIT IS 25 MILES PER HOUR BUT NOBODY BASCIALLY COME DOWN THAT HILL DOING 25.

ANOTHER CONCERN IS: WE WANT ECONOMIC DEVELOPMENT IN SOUTHEAST, WELL SAFEWAY REBUILT AND RELOCATED TO A LARGER SIGHT,BUT STILL WE ONLY HAVE SAFEWAY AND MURRY'S. YOU

SHOULD SEE THE LINES IN OUR SAFEWAY AT ALL TIME AND GOD FORBID THE WEATHER REPORT CALLS FOR SNOW. WE WOULD LIKE TO SEE HOUSES NOT MULTI-FAMILY BUILDING. MARBURY PLAZA HAS A NEW OWNER AND THEY ARE WORKING HARD TO RENOVATE MARBURY PLAZA. STILL WE HAVE NO RETAIL, AND THIS WILL MAKE OUR WAIT IN THE GROCERY LINES LONGER. BELIEVE ME THE PUBLIC TRANSPORTATION IS NOT WHAT YOU HAVE BEEN LED TO BELIEVE THAT IT IS.

SUPPORT FOR THIS APPLICATION HAS BEEN A CITYWIDE THING, AS A COMMUNITY PERSON, I AM A LITTLE SURPRISED BECAUSE USUALLY FOLK OUTSIDE OF OUR COMMUNITY DO NOT SHARE A CONCERN, BUT THEY WERE SOLICITED. MARBURY PLAZA TENANT ORGANIZATION HAS NEVER HAD AN ELECTION AND THEY DON'T HAVE ANY OFFICERS BUT THEY HAVE ENTERED A LETTER OF SUPPORT.

AS I HAVE STATED BEFORE FAIRLAWN CITIZENS ASSOC OPPOSES THIS APPLICATION, BUT WE KNOW THAT THIS PROJECT WILL BE DEVELOPED AND WE WANT OUR INPUT IN THE DEVELOPMENT OF THIS PROJECT.

WE, THANK YOU FOR THE OPPORTUNITY TO TESTIFY AND FOR THE LEARNING EXPERIENCE THAT THIS APPLICATION HAS GIVEN OUR COMMUNITY.

Re: Application No. 16457

My name is Burnice T. Kearney. I reside at 1911 T Place, SE., Washington DC, 20020 which is within the Fairlawn Community in South East Washington. I have been a member of the Fairlawn Citizen Association since the mid seventies and currently serve as Chair of the Community Service Committee.

Let me begin by saying I am opposed to application no. 16457. I will address my concerns later in this corresponded but first I would like to comment on some of the materials that have been submitted by those that suppose to represent us but have not made any attempt to contact many in the community about their position on certain matters. I reside in a SMD within 6C. I have not been notified of any meeting whereby this application was to be discussed. No flyers were sent out or phone call received relative to such a meeting. It is my understanding that the ANC are to interact with all citizens of the community they proposed to represent. That has not been the case, so when weight is given to whatever postion ANC6C has taken, please bear this in mind.

Now as to my opposition, I'm opposed to any additional apartments proposed in our neighborhood. While the applicant list occupancy rates for two dwellings in the immediate area within one block, the applicant does not mentioned several apartment buildings within 5 to 6 blocks of that site that has much lower occupancy rates and some are broaded up. Also there can be no comparison of occupancy if the proposed apartment will rent for substantial more than the existing units. Those of us that have lived in Anacostia for more than 30 years and are homeowners believe that the key to economic development and long term stabilization of our tax base is through home ownership. The balance between private home and rental property is very important to making and keeping a community stable. We would much prefer to see some of the existing vacant apartment buildings renovated rather than to keep adding additional apartment while little is being done to the existing ones in need of repair.

With respect to the traffic study, I have some comments. The study projects a build out date of 2001. Apparently the study was conducted utilizing 1990 and 1998 data. Currently, there are two highway projects within the state of Maryland that impact the Good Hope Road traffic. MD Route 5 is being widen to accommodate more traffic along with Naylor Road in Maryland. Suitland Parkway (federal jurisdiction) was recently widen to 2 lanes in each direction from MD Route 4 to Silver Hill Road in Suitland, MD. These improvements within the state of MD will surely mean more traffic on Good Hope Road. Since the District has no plans (that we are aware of)

to update Good Hope Road this can only mean that more traffic will result in more delays. The News media and AAA are already reporting that Washington, DC., has the 2nd worst traffic delays of any major cities within the United States. The survey documents 75% of the Good Hope Road traffic is commuter at peak period. We are sure this figure will increase with the improvements complete. We doubt adjusting some traffic signals will eliminate this problem as the study suggests. We are already experiencing some delays in our efforts to get downtown from Anacostia. The report projects a decline in the overall volume of traffic in future years. We question this projection in view of what is taking place in MD to get more traffic into the city.

With respect to Environmental Consideration, there are several concerns that must be addressed. Portion of the Eastern tract is filled approximately 40 feet. When the Geotechnical Study # 04-98106 was conducted by Whitlock Dalrymple Poston & Association (WDP) it indicated that of the 13 pits excavated 7 (more than 50%) could not be fully excavated because it appeared that a roadway was under some of the field and the back-hoe used to dig the pits could not penetrate that material. If the pits did not reach the full depth of the fill how can anyone determine what is there without additional testing and how can one determine what the compaction rate or soil density is at any specific depth. In addition, the study indicates drainage areas had developed prior to the fill being placed. What provision were made to drain water from the site to accommodate springs that we know were in the general area prior to it being filled. How will the wetlands issue be resolved to assure that Federal and DC Regulations are complied with. Did the District Government map the area prior to issuing the permit to allow fill to placed there? If not, what responsibility did the property owner have to the District to secure a permit? We are concerned that to build on this much fill without knowing what serves as the foundation is quite risky. The study also mentioned a retaining structure or possibly cut and fill. If the retaining structure is not proposed, how will stabilization be assured especially where 40 feet of fill exists? Many of my fellow Fairlawn residents were present when this was placed on the site. No compaction equipment was utilized during the fill operation. It is evident that more studies are needed as WDP suggests in its report.

The overall design of the project merit some comments. The site plan for the Western tract should be reviewed. The houses situated along Good Hope Road should face Good Hope Road and should at least have the fronts brick venered. It appeared odd to us for the people living on the opposite side of Good Hope Road and traffic on Good Hope Road to have to look into anyone backyard. Those houses at a minimum should face Good Hope Road. It is important for these single family home to blend in with existing houses relative to the material utilized.

We are also concerned relative to how the drainage will be addressed on this site as well. We know that once a soil area is distributed and much of it is paved, it

creates new problem concerning drainage. In view of the fact some of the single family homes being proposed are on a site that is lower in elevation than surrounding areas we are concerned as to how this situation will be addressed. The Good Hope Road drainage system cannot handled existing drainage during mid to heavy rainfalls. The street get flooded and much of the water and mud at times crosses 22nd Street and dissipate along the 22nd Street drainage system. If the intent is to add to the existing drainage system along Good Hope Road that system cannot handled current demands.

We believe that the proposed parking is not sufficient for both developments. One (1) space per unit is less than is needed if we really believe that the market targeted for these units are middle to upper income. How many of these families only have one car?

In closing, I would like to address two additional items very briefly. KSI indicates it needs to construct apartments to recover costs it proposed to pay for the property. The cost of the property should not be a consideration of BZA. What one is willing to pay for or to sell their property is between the seller and the buyer and should not be a factor in your decision. In addition, we met with representatives of a developer that indicated that he could develop the same property with all single family units.

We also have concerned that KSI is not really interested in building single family homes on the Western tract. One way to address this issue is by requiring the appropriate agency within the District government to issue "occupancy permits" at the same time for the entire development. The traffic study indicated a build out period of three years for the entire development.

Thank you for the opportunity to comment on this application.

PETITION

We, the residents of the Fairlawn Community hereby give notice that we strongly oppose Application 16457 to build on the vacant lot directly behind the Skyland Garden Apartments on 24th Street off of Good Hope Road, SE. The building of 176 rental apartment units would increase the density and further congest the neighborhood creating more traffic, crime and keeping undue stress on our already limited community services that are shared by Wards 6, 7, and 8.

The Southeast Area is the most densely populated area of the city. Development of 176 rental apartment units will have a detrimental impact on our community. We need single-family homeownership.

We, the undersigned members and residents of the Fairlawn community which is located directly across the street from the proposed development have read the above statement and are in full accord with the statement on this petition.

TESTIMONY OF MRS. THELMA E. JONES, PRESIDENT
OF THE FAIRLAWN CITIZENS ASSOCIATION, INC.,
BEFORE THE BOARD OF ZONING ADJUSTMENT
MAY 5, 1999 - 1:00 PM

BZA
Case No. 16457
Exhibit No. 125 L

GOOD AFTERNOON.

MY NAME IS THELMA E. JONES. MY ADDRESS IS 2217 T PLACE, SE, WASHINGTON, DC, 20020. I AM HERE TODAY TO TESTIFY IN TWO CAPACITIES. ONE, AS A RESIDENT WHO RECEIVED A NOTICE OF THIS HEARING FROM THE BOARD OF ZONING ADJUSTMENT; AND TWO, AS THE PRESIDENT OF THE FAIRLAWN CITIZENS ASSOCIATION, INC. IN BOTH CAPACITIES, I WILL BE REITERATING MY AND THE RESIDENTS OF THIS COMMUNITY'S OPPOSITION TO DOCKET NUMBER 16457 FILED BY PHIL FEOLA FOR THE OWNER OF PROPERTY KASS MA, L.L.C., 1568 SPRING HILL ROAD, SUITE 400, MCLEAN, VA 22102. BY THE WAY, THE RESIDENTS OF THE 2200 BLOCK OF GOOD HOPE ROAD DID NOT RECEIVE NOTICES OF THIS HEARING.

FIRST, I WOULD LIKE TO REQUEST DOCUMENTATION I USE IN MY TESTIMONY BEFORE THE BOARD OF ZONING ADJUSTMENT COMMISSION TODAY BE ENTERED INTO THE RECORD AS PART OF MY TESTIMONY.

AS A RESIDENT OF THE FAIRLAWN COMMUNITY AND SERVING AS THE PRESIDENT OF THE FAIRLAWN CITIZENS ASSOCIATION, I HAD THE OPPORTUNITY TO TALK TO MR. RICHARD KNAPP, SENIOR VICE PRESIDENT FOR KSI MANAGEMENT CORPORATION SEVERAL TIMES. ON ONE OF THESE OCCASIONS, MR. KNAPP MADE A REQUEST TO ME TO MAKE A PRESENTATION TO THE FAIRLAWN COMMUNITY ON THE PROPOSED DEVELOPMENT OF THE SITE ON GOOD HOPE ROAD, SE, OF 33 SINGLE FAMILY DETACHED DWELLINGS AND 176 GARDEN APARTMENTS IN SQUARE 5735, PARCELS 219/96, 220/31 AND LOT 804 SQUARE 5763 AND PARCEL 219/38.

MR. KNAPP WAS INVITED TO ATTEND THE FAIRLAWN CITIZENS ASSOCIATION'S REGULAR MONTHLY MEETING ON JANUARY 19, 1999, WHERE HE MADE THE PRESENTATION OF THE SINGLE FAMILY DWELLINGS AND THE MARKETING DIRECTOR , MELANIE RUSSELL, MADE THE PRESENTATION OF THE APARTMENT BUILDINGS.

THE COMMUNITY'S RESPONSE WAS TOTAL REJECTION OF ANY MORE APARTMENTS BEING CONSTRUCTED IN OUR COMMUNITY. THE QUESTION THE MEMBERSHIP REPEATEDLY ASKED MR. KNAPP WAS WHY COULDN'T HE BUILD ALL SINGLE FAMILY HOMES ON BOTH SITES. MR. KNAPP CONVEYED TO US THAT IT WAS NOT ECONOMICALLY FEASIBLE FOR HIS COMPANY TO BUILD ALL SINGLE FAMILY HOMES. HE ALSO STATED THAT HE WOULD GET A NON-PROFIT ORGANIZATION TO BUILD THE SINGLE FAMILY HOMES BECAUSE HE WASN'T GOING TO A GOVERNMENT AGENCY TO HELP BUILD THE DEVELOPMENT.

THE RESIDENTS OF THE FAIRLAWN COMMUNITY INFORMED MR. KNAPP THAT OUR COMMUNITY IS ALREADY OVER-RUN WITH APARTMENT BUILDINGS AND THAT THE OWNERS OF THOSE APARTMENTS WHICH ARE NOT VACANT OR ABANDONED AND BOARDED UP ARE SEEKING TENANTS TO FILL THE MANY VACANCIES. SOME EXAMPLES ARE: THE SKYLAND APARTMENTS WHICH ABUTS THE VERY SITE OF THIS PROPOSED NEW DEVELOPMENT IS SEEKING TENANTS; THE ALTAMONT APARTMENTS, LOCATED DIRECTLY ACROSS THE STREET, ARE ALSO

SEEKING TENANTS AS WELL AS MARBURY PLAZA WHICH CONSISTS OF TWO VERY LARGE LUXURY APARTMENT BUILDINGS WITH 672 UNITS; AND THE APARTMENT WHICH IS LOCATED DIRECTLY BEHIND WHERE THE PROPOSED SINGLE FAMILY HOMES WILL BE BUILT IS ALSO SEEKING TENANTS. I COULD GO ON AND ON ABOUT THE VACANT APARTMENTS UNITS IN OUR COMMUNITY. NEEDLESS TO SAY, THESE VACANT UNITS AND BUILDINGS ARE ATTRACTING CRIMINAL ACTIVITY TO THE NEIGHBORHOOD.

HISTORY HAS SHOWN THAT THE LUXURY MARLBORO PLAZA WITH THE SURROUNDING POOL, KIDDIE PLAY AREA, AND TENANTS' MEETING ROOM, CANNOT AVOID HAVING A HIGH TURNOVER OF RENTERS MOVING OUT OR GETTING SET OUT. WE QUESTION WHY WOULDN'T THE KSI LUXURY DEVELOPMENT WITH ITS GATED ENTRANCES BECOME ANOTHER TRANSIENT DEVELOPMENT.

THE DEVELOPERS HAVE NOT GIVEN THIS COMMUNITY ANY GUARANTEES OR SAFEGUARDS AGAINST WATER RUNOFF OR SOIL EROSION. AS OF NOW WHEN WE HAVE HEAVY RAINS, THE SEWERS DO NOT CARRY THE WATER VERY WELL. THERE IS WATER BUILD UP OF ABOUT 2 TO 4 FEET IN WIDTH AT THE CURB AT SOME PARTS OF

GOOD HOPE ROAD. THERE IS ALSO WATER THAT SEEPS UP OUT OF GOOD HOPE ROAD FROM AN UNDERGROUND STREAM NEAR THE STOPLIGHT ON THE SOUTH SIDE OF GOOD HOPE ROAD.

ANOTHER PROBLEM WE HAVE IS THE VEHICULAR TRAFFIC ON GOOD HOPE ROAD. IT IS ALREADY TERRIBLE AND THE ADDITIONAL TRAFFIC COMING FROM THE NEW DEVELOPMENT WOULD ONLY ADD MORE TRAVEL TIME IN TRYING TO REACH THE 11TH STREET BRIDGE DURING THE MORNINGS. IT IS VERY HAZARDOUS TRYING TO GET TO AND FROM WORK. RESIDENTS TRYING TO GET ONTO GOOD HOPE ROAD FROM SIDE STREETS HAVE A LONG WAIT. IN ADDITION, TRANSPORTATION ON THE METRO BUSES IN THE MORNINGS AND EVENINGS IS VERY CROWDED AND THE BUS SCHEDULE FOR THE OTHER TIMES OF THE DAY IS UNPREDICTABLE. AND QUITE SIMPLY PUT – MORE CARS MEAN MORE POLLUTION IN OUR NEIGHBORHOOD.

PARKING IN THE COMMUNITY WILL BE GREATLY AFFECTED BECAUSE WE ALREADY HAVE PEOPLE LIVING IN THE MANY EXISTING APARTMENTS PARKING ON OUR STREETS AS WELL AS ON THE SOUTH SIDE OF GOOD HOPE ROAD. THE PARKING SPACES ON GOOD HOPE ROAD WILL BE REDUCED BECAUSE OF THE PROPOSED

STREETS THAT WILL BE BUILT INTO THE DEVELOPMENT. THE LACK OF ADEQUATE APARTMENT PARKING FOR THE RESIDENTS AND VISITORS WILL CREATE MORE SPILLOVER ONTO OUR STREETS.

THE SHOPPING CENTER AT GOOD HOPE MARKETPLACE IS USED BY RESIDENTS OF WARD S 6, 7, AND 8. THE SAFEWAY AT THE SHOPPING CENTER CANNOT AFFORD THE IMPACT OF THE ADDITIONAL PEOPLE THAT THIS DEVELOPMENT WOULD BRING. WE CAN NOT FIND A PARKING SPACE NOW AT THE SHOPPING CENTER AND THE SAFEWAY MOST ALWAYS HAVE LONG CHECKOUT LINES AND OFTEN RUNS OUT OF SUPPLIES. I HAVE TALKED WITH WARD 8 PLANNER VANESSA ATKINS ABOUT THIS SITUATION. SHE SAYS THAT SHE HAS SHOPPED THERE AND WHAT SHE WANTS IS OFTEN NOT ON THE SHELVES.

THE KETCHAM ELEMENTARY SCHOOL CAN NOT ACCOMMODATE TOO MANY MORE ELEMENTARY SCHOOL AGE CHILDREN ACCORDING TO THE SCHOOL SUPERINTENDENT'S BUDGET REQUEST FOR FISCAL YEAR ENDING SEPTEMBER 30, 2000. THE PROJECTED ENROLLMENT IS 526 (WITHOUT ADDITIONAL RESIDENTS). THE BUILDING CAPACITY AT KETCHAM IS 752 AND

PROGRAM CAPACITY IS 604. THIS INFORMATION WAS PROVIDED BY WARD 6 SCHOOL BOARD MEMBER BENJAMIN BONHAM.

THIS COMMUNITY HAS BEEN WAITING FOR OVER 25 YEARS FOR DEVELOPMENT OF THE COMMERCIAL AREA ON THE LOWER END OF GOOD HOPE ROAD AND MARTIN LUTHER KING, JR. AVENUE. WITHOUT DEVELOPMENT OF BUSINESSES IN THE COMMUNITY, WE CANNOT AFFORD DEVELOPMENT OF 176 APARTMENT UNITS. WITH THE MAYOR ADVOCATING ECONOMIC DEVELOPMENT, I DO NOT SEE THIS AS ECONOMIC DEVELOPMENT FOR THIS COMMUNITY.

MR. KNAPP IS DOING ECONOMIC DEVELOPMENT IN BETHESDA, MARYLAND, WITH ASSISTANCE FROM THE GOVERNMENT. WHY IS IT HE CAN NOT DO IT IN WASHINGTON, DC, AND BUILD ONLY SINGLE FAMILY HOMES ON THAT ENTIRE SITE?

IN CLOSING, WE THE MEMBERS OF THE FAIRLAWN CITIZENS ASSOCIATION REPRESENTING OUR COMMUNITY, ARE AWARE OF THE NEED FOR MORE HOUSING IN WASHINGTON, DC. WE ARE NOT NAIVE ENOUGH TO BELIEVE THAT DEVELOPMENT WILL NOT HAPPEN. ALL WE ASK FOR IS A FAIR DECISION ON WHAT TYPE OF DEVELOPMENT. WE HAVE MANY SINGLE-FAMILY HOUSES WHICH

MAKES THIS A STABLE NEIGHBORHOOD. WE FEEL THAT THE MOST PURPOSEFUL TYPE OF PLANNING FOR THAT LAND WOULD BE FOR SINGLE FAMILY DWELLINGS FOR HOME OWNERSHIP. IT IS A REALISTIC AND FEASIBLE REQUEST. I WISH TO SUBMIT FOR THE RECORD, THE ATTACHED SCHOOL ENROLLMENT INFORMATION, A POLICE CRIME REPORT, AND AN ARTICLE FROM THE WASHINGTON POST.

THANK YOU FOR ALLOWING ME TO TESTIFY AT THIS HEARING.

BZA
Case No. 16457
Exhibit No. 125 M

Dear Ms. Reid:

On behalf of ANC 6C, I am writing you to support the Motion for Reconsideration of BZA Application No. 16457, including the subsequent granting of special exceptions under subsections 410 and 2515 to allow construction of 35 new single-family detached dwellings with garages in a theoretical lot subdivision and 176 luxury garden apartments in the R-5-A and R-5-B districts at premises bounded by Good Hope Road, SE, between 24th Street, SE to the east and 18th Street, SE to the west (Square 5735, parcels 211/96, 220/31 and Lot 804 and Square 5763, Parcels 219/38).

Advisory Neighborhood Commission 6C, with a quorum present, voted its unanimous support of this project of KSI, Inc., at the ANC meeting of October 4, 1999. Present and voting were Commissioners Oliver Johnson, Ronald King (Chairman), D. C. Williamson (Secretary), and Drake Wilson (Treasurer). As is required, proper notice of this meeting was given.

The Commission did not participate or offer testimony in the initial application because it had not received assorted impact statements it had requested from the applicant. After your previous hearing and during the time of your review of the initial application, supporting studies and impact statements were provided by the applicant to the ANC, satisfying our concern that our community would not be adversely impacted by the development.

Indeed, I can happily report that KSI's efforts in working with our community have been exemplary in many respects and might serve as a model to other developers. Representatives of KSI have been consistently available when called upon by the ANC and other groups in our community to answer questions and respond to concerns. The firm has appeared before the ANC

a number of times, including its participation in our community-wide economic summit which had the participation of Mayor Williams and Councilmember Ambrose of Ward Six.

At my invitation, KSI presented before constituents of my single member district in Marbury Plaza, situated directly across Good Hope Road from where the development is to be built. My fellow commissioners have met with their constituents and KSI representatives throughout the past several months. Interested residents of the community were provided a tour of houses and luxury apartments similar to those proposed for construction.

This proposed development represents revitalization not just for our immediate community but for the surrounding neighborhoods as well. It is the first large scale development of upscale housing to occur in the community in decades. Our neighbors to be will join us in supporting our existing businesses and those we will be able to attract with the infusion of new tax payers.

As a result of working closely with ANC 6C and the community, KSI has committed to a community investment program that will provide community directed grants and revolving loans and will assist in identifying sources for leveraging the funds to invest in community development projects. KSI has also committed to working with community representatives to ensure that individuals and subcontractors from the community are given priority for any hiring resulting from the construction and operation of the Homes at Woodmont development. To this end, I have appointed an adjunct committee of the ANC to work with KSI and residents of our sister ANC 8B to formally develop a memorandum of understanding of the parties to this historic undertaking.

Enclosed with this submission is a copy of the resolution passed unanimously by ANC 6C in support of the aforementioned motion of reconsideration.

Thanking you in advance of your consideration of the submission of ANC 6C, I remain

Sincerely,

Ronald King

MOTION FOR RECONSIDERATION

WHEREAS, in May, 1999 the Applicant presented its case for approval of special exception relief pursuant to Sections 410 and 2516 of the Zoning Regulations for Board of Zoning Adjustment approval allowing for the construction of 35 new single-family detached dwellings with garages in a theoretical lot subdivision and 176 garden apartments in the R-5-A and R-5-B districts; and

WHEREAS, in order to obtain special exception relief, the Applicant must demonstrate that the project will be in harmony with the general purpose and intent of the Zoning Regulations and Maps and will not tend to adversely affect the use of the neighboring property in accordance with the Zoning Regulations and Zoning Maps; and

WHEREAS, the testimony presented by the Applicant shows that the project meets the above-stated criteria; and

WHEREAS, on June 2, 1999 the Board voted to deny the Applicant's request for relief based largely on the lack of community support for the project; and

WHEREAS, the Applicant has demonstrated its clear intent to make a long term commitment to this project by agreeing to be bound contractually to its promise to own, manage and maintain this quality development for the long term; and

WHEREAS, the Applicant has demonstrated that it will develop a quality product with spacious, modern floor plans and complete amenities; and

WHEREAS, the Applicant has demonstrated that this project, once developed, will serve to attract a mix of middle and upper-middle income residents who desire to live in the District but have not been able to find a community development which would provide them with a high quality living environment at an affordable price; and

WHEREAS, the Applicant has demonstrated the critical need for a mix of residential project types within our community in order to appeal to and attract a wide variety of people, including young professionals, empty nesters, divorcees, singles, and families, all of whom will add to our community's continued growth and diversity; and

WHEREAS, this project represents the first "new" planned multi-family component in conjunction with a single-family detached component for this community in 25 years, and is a significant departure from the substandard, high density units which are currently in overabundance in our community and throughout Southeast D.C.; and

WHEREAS, the Applicant has demonstrated that it will be proactive in seeking opportunities to renovate and demolish substandard buildings in the community in conjunction with its development of this project; and

Rec'd Feb. 3, 2000

WHEREAS, the Applicant has demonstrated that one of the main goals of this project is to develop a long term working partnership with our community during all stages of the project's planning and development; and

WHEREAS, the Applicant has shown that its mission is to extend its revitalization plans not just to our immediate community, but also to the surrounding community as well, working with our community's leaders to determine how best to accomplish this broad and reaching mission; and

WHEREAS, the Applicant has demonstrated that this residential development project will help to benefit and revitalize the entire area by increasing property and income collections, supporting retail stores and services, and improving the quality of education of our children; and

WHEREAS, the Applicant represents a new wave of development coming east of the Anacostia River which believes in producing a quality product, creating upscale residential environments, and encouraging community involvement and development; and

WHEREAS, the Applicant had committed to a community investment program that will provide community directed grants and revolving loans and will assist in identifying sources for leveraging the funds to invest in community development projects; and

WHEREAS, the Applicant has committed to local hiring in the construction of the Homes at Woodmont by working with community representatives to generate a local hiring plan; and

WHEREAS, the Applicant is committed to ensuring that individuals and subcontractors from the community are given first priority for any hiring that may result from the construction and operation of the Homes at Woodmont; and

WHEREAS, we believe that this project will not tend to affect adversely the use of the neighboring property and instead will serve to enhance the quality of life in the surrounding area by its presence and continued involvement.

THEREFORE BE IT RESOLVED THAT:

ANC 6C supports the Applicant's motion for reconsideration and the subsequent granting of special exception relief for Application No. 16457, provided such approval is conditioned as follows:

1. The apartment component and the single-family, detached component of the project shall be built simultaneously.

2. The Applicant shall enter into a binding agreement with ANC 6C that outlines its long-term commitment to this project and the community in general.

This was not voted upon separately

Resolution
of
Advisory Neighborhood Commission 6C
October 4, 1999

This three-part resolution of Advisory Neighborhood Commission 6C was put forth in the community meeting of ANC 6C October 4, 1999 as three related motions with each motion being voted upon separately. A quorum of the Commission being present, the motions were moved by Commissioner Oliver Johnson and seconded by Commissioner D. C. Williamson. Chairman Ronald King presided. Each motion was passed unanimously by the four commissioners present and voting: Oliver Johnson, Ronald King, D. C. Williamson, and Drake Wilson.

Part One

Advisory Neighborhood Commission 6C supports KSI, Inc. in its Motion for Reconsideration for BZA Application No. 16457 and the subsequent granting of special exceptions under subsections 410 and 2515 to allow construction of 35 new single-family detached dwellings with garages in a theoretical lot subdivision and 176 luxury garden apartments in the R-5-A and R-5-B districts at premises bounded by Good Hope Road, SE, between 24th Street, SE to the east and 18th Street to the west (Square 5735, parcels 211/96, 220/31 and Lot 804 and Square 5763, Parcels 219/38.

Part Two

In recognition of the fact that the proposed luxury apartments lie within the boundaries of ANC 8B in Ward Eight and have the endorsement of our neighbor ANC 8B, ANC 6C affirms its support of this part of the development.

Part Three

The ANC 6C endorsement of this project is contingent on the simultaneous development of the proposed town homes within the boundaries of ANC 6C in Ward Six and the luxury apartments within the boundaries of ANC 8B in Ward Eight; and, the adoption of a memorandum of agreement between KSI, Inc. and ANC 6C.
