Re: Rehearing in the Application of Kass MA, LLC—No.16457

Dear Ms. Reid:

The Stanton Elementary School is pleased to submit this letter of support for the plan presented by KSI Services, Inc. to build **The Homes at Woodmont,** a luxury housing community in our neighborhood.

We have reviewed the proposal submitted by KSI to develop the two parcels of land fronted on Good Hope Road, SE (across from Marbury Plaza Apartments). It contains 176 apartments on the western parcel and 35 detached single-family homes on the eastern portion. It also includes amenities such as a swimming pool, a clubhouse, a computer/business center, a fitness center and after-school programs for youth.

We are excited about the continued growth of our neighborhoods east of the Anacostia River. The proposed homes are within my service area. We welcome the additional residents to our local businesses, schools churches, community organizations and civic associations.

Stanton Elementary School is committed to assist KSI to provide support to the new residents of **The Homes at Woodmont.**

Sincerely,

Frances P. Robinson
Principal
