Madam Chairman:

Re: Case 16483 - 1659 35th Street NW

This letter will formally confirm our request that the above-captioned case not be heard at your meeting in December.

As the enclosed memorandum indicates, we have been seeking to get from the Building and Land Regulation Administration relevant correspondence regarding this project for more than six weeks. Despite repeated telephone messages, we have been unable to obtain this information even to date.

We apologize for the further delay in hearing this matter, but do not feel that we can proceed in ignorance of the BLRA record.

Sincerely,

Barbara Zartman
President
