Madam Chairman:

Re: Case 16483 - 1659 35th Street NW

This letter will formally confirm our request that the above-captioned case not be heard at your meeting on February 2.

We believe that core elements regarding the use of this property may be resolved in the coming weeks and, for that reason, feel it would be an inappropriate use of the Board's energies to litigate the permit issues next week. I believe the Zoning Administrator supports delaying the hearing on this property to a date certain, no sooner than May of this year. We hereby request a postponement of this case to a date of your convenience in May or later.

We apologize for the further delay in hearing this matter.

Sincerely,

Barbara Zartman
President
