Re: BZA Application No. 16521 – Session
Joint Request for Postponement of Hearing

Dear Chairman Reid and Members of the Board:

The purpose of this letter is to request a postponement of the Public Hearing on the above-referenced application that is scheduled for May 16, 2000 to May 24, 2000. The requested eight-day delay will provide an opportunity for a meeting involving the Zoning Administrator, the Applicant (Mr. Sisson) and his attorney, and Mr. Patrick Brown, Attorney for Mr. Sisson's neighbor Mildred Crary. The meeting will be held on Thursday, May 18 at 10:00 a.m. In the event that the Zoning Administrator determines that the Application does not entail any areas of relief other than the two variances cited in the Zoning Memorandum dated February 29, 2000, the parties agree that the hearing will proceed on May 24, 2000. If, on the other hand, the Zoning Administrator determines that additional relief is required for the application, the parties agree that the hearing will be scheduled for a time that will provide an opportunity for re-advertisement of the hearing notice.

We appreciate your consideration of this request.
