RE: BZA Case No. 16521 – Charles A. Sisson
3020 43rd Street, N.W., Square 1621, Lot 70

Dear Mr. Johnson:

Between December 1999 and June 2000, the Board of Zoning Adjustment scheduled several hearings on the above-mentioned application. On June 20, 2000, the Board decided to postpone the hearing on the case, one final time, to **OCTOBER 17, 2000.** The Board has asked that Advisory Neighborhood Commission 3D provide a final report, and that your office provide an updated computations sheet and/or report identifying correct zoning relief that is required for the project. Please provide the information to the Office of Zoning by October 10, 2000, to allow the members of the Board and all parties sufficient time to review the record prior to the hearing.

If I can assist with your review, please feel free to contact me on (202) 727-3780.

Sincerely,

for Sheri Pruitt
