Re: BZA Application No. 16522; 1727 21st Street, NW.

Dear Mr. Swarm:

In a letter dated May 25, 2000, the Office of Zoning (OZ) notified you that you had been contacted on several occasions by OZ staff and informed that your application was incomplete because it did not include a Zoning Administrator's Memorandum or a notice of Self Certification. You were further informed that if the OZ did not hear from you by June 15, 2000, affirming your intention to proceed, the application would be submitted to the Board of Zoning Adjustment (Board) at its July 5, 2000, public meeting with the recommendation that it be dismissed. There was no response from you, and the application was submitted to the Board at its July 5, 2000, public meeting with the recommendation that it be dismissed for the reasons stated in this letter.

After due consideration at its July 5, 2000 public meeting, the Board voted 5-0 to **DISMISS** Application No.16522. The participating Board Members were Ms. Carol Mitten, Mr. Rodney Moulden, Mr. Robert Sockwell, Ms. Anne Renshaw and Ms Sheila Cross Reid. Please be aware that no further action will be taken on this application.

If you have any questions, please call the Office of Zoning at (202) 727-6311

Sincerely,

JERRILY R. KRESS, FAIA
Director
