Re: BZA Case Nos. 16531, Father Flanagan's Boys Town of Washington

Dear Ms. Kress:

The above-referenced case was on the agenda for the ANC 5A Monthly Community Meeting scheduled for January 26, 2000, this meeting was canceled because of the weather and rescheduled for February 3, 2000. However, because of the short turn-around time, as well as the threat of snow, many of the affected community did not get notice of the rescheduled date, or did not come.

At a quorumed meeting on February 3rd, the Commissioners present voted against the recommendation of the affected Commissioner to support the application. At the same time, the Commissioners voted to call another meeting so that the community could be heard and to request certain assurances from officials in the Department of Public Works as well as from Boys Town officials.

The special meeting is scheduled for Wednesday, February 16, 2000, at 7:00 p.m. at the North Michigan Park Recreation Center, 13th & Emerson Streets, N.E. at which time the ANC 5A Commission expects to vote with regard to this application.

Sincerely,

Norma M. Broadnax
Chairperson
