COMMENTS

If you were to testify at the hearing, what would you say?
Let the "BZA" know how you feel about "BOYSTOWN USA" and their plans to build and expand.

This house used to flood, done
for OVER first 2 (40) years & originally
we did not have any problems with water
in the basement but since about the mid-late
'80s ~~we~~ we have had problems with water
when there is heavy rains, running into
the basement. In fact, there has been
water coming through a pipe around the
side of the house. Also, at the top the
yard the ground stays soggy & wet. These
problems appear to associated with the
excessive run-off & redirected flow of water
from Boystown.

Water problems are important, but the neighborhood acusitg problems are extremely important these issues must be accounted for before it can go any further.

If this form happens to be late, please accept my apologies, but I'd hope this will count. I do recongize the importance of these issues.

Thanks Miss Henderson

Let the "BZA" know how you feel about "BOYSTOWN USA" and their plans to build and expand.

I live only 1 block away DOWN the stretch of land behind Boys Town & as I obtain more & more information on the history of agreements that the owners of square 3977 have made with our community, my concerns grow. It's evident that with the transfer of owners from one to another, that the promises are a low priority compared to continued expansion. I do support the cause of Boys Town & Fr. Flanagan's Home for Boys all together. We need a place for our youth (esp. troubled youth to develop. However they must understand that their program will never be successful on lot/square 3977 until they "clean the slate" of promises made by its previous owners then proceed with expansion of those grounds. For this reason (although I've thought on this heavily w/ more info. I receive). I vote to delay the expansion of square 3977 until the promises previously made have been fulfilled.

Let the "BZA" know how you feel about "BOYSTOWN USA" and their plans to build and expand.

I will be at the hearing! I just paid 200$ to have my outside basement drain snaked out to the main sewer line in the street. This is the second time in less than 3 years.

Boys Town was aware of the problem at least since 1993 when they went for special exception app # 15805

There is an adverse impact on my personal comfort level, when I have to listen to the noisy guesters and walk into a wet basement. Mold grows on my returning walk.

Fix The water problem. I'm tired of seeing water in the basement. And I'm tired of paying a plumber to come out. It never used to be like this. I've lived here over 40 years.

PRIMARILY, BEFORE ANY-OTHER STEPS ARE TAKEN, THE GROUNDS OF BOYSTOWN (SQ. 3977) MUST BE RESTORED TO THEIR PRE-1984 (PRE-METRO-SPOIL-DUMP) CONDITION, SO THAT BOYSTOWN'S ENGINEERS AND HYDRAULIC CONSULTANTS CAN TAKE PROPER ACTION TO COMPLETELY STOP ALL RUNOFF FROM THEIR PROPERTY (SQ. 3977). WITHOUT COMPLETE REMOVAL OF THAT SPOIL, BOYSTOWN'S ENGINEERS, HYDRAULIC CONSULTANTS, ETC., EVEN IN COOPERATION WITH THE-RELEVANT D-C DEPARTMENTS SUCH AS PUBLIC WORKS, PUBLIC HEALTH, ETC., ARE NOT GOING TO SATISFACTORILY AND PERMANENTLY STOP THE RUNOFF PROBLEM ORIGINATING FROM THE-BOYSTOWN PROPERTY (SQ. 3977).

FURTHER, THAT SPOIL SHOULD UNDERGO A THREE-DIMENSIONAL TOXICOLOGICAL SURVEY, SINCE WE DO NOT KNOW WHAT METRO DUG UP AND DUMPED IN OUR COMMUNITY IN 1984. WE DO NOT EVEN KNOW WHETHER METRO APPLIED FOR AND/OR RECEIVED AN-ENVIRONMENTAL CLEARANCE FOR THEIR OBVIOUSLY-DETRIMENTAL ACTION ON OUR COMMUNITY.

FURTHER ST. GERTRUDE'S NEVER APPLIED TO THE BZA FOR A SPECIAL EXCEPTION TO OPERATE A LANDFILL. I DO NOT KNOW OF ANYBODY IN THE COMMUNITY, WHO RECEIVED A BZA NOTICE OF SUCH-AN APPLICATION.

I BELIEVE THAT WE ARE DEALING WITH A COMMON SENSE ISSUE THAT WHEN ADDRESSED PROPERLY, THE POTENTIAL ADDITION TO THE ALREADY EXISTING PROBLEMS WILL BE MINIMIZED OR ELIMINATED. THE DEGREE TO WHICH SELFISH SELF INTERESTS ARE PROMOTED IS THE DEGREE TO WHICH THE TENSIONS THAT ACCRUES WILL CONTINUE. LET THERE BE A RESOLUTION TO THE PROBLEM BY ADDRESSING THE MAIN PROBLEM RAISED BY THE RESIDENTS SO THAT THE COMPLEXITIES OF DECEPTION, OR OTHER MEANS MAY BE ELIMINATED.

PROBLEMS HAVE CAUSES AND CAUSES HAVE EFFECTS. THE PROPERTIES IN OUR COMMUNITY HAVE VALUE BEYOND THEIR MONETARY VALUE. THE HUMAN VALUE OF THE HOMES THAT HAVE BEEN ESTABLISHED IN THOSE HOUSES AND OTHER ABSTRACTS ARE OF EQUAL OR MORE VALUE.

Let the "BZA" know how you feel about "BOYSTOWN USA" and their plans to build and expand.

Boys Town has not corrected the water problems that existed in 1993. I do not believe that we can trust them to correct it now unless the permit to expand is delayed or denied.

The Zoning Board should not grant them permission to expand until the community is fully satisfied that problems are addressed honestly and corrected
