Re: BZA Case Nos. 16531, Father Flanagan's Boys Town of Washington, 4801 Sargent Road, NE

Dear Ms. Kress:

A letter from your office dated March 28, 2000 addressed to me was received in our office March 30 which included updated copies of certain documents related to the above referenced case. Included in the update was the recommendation that Commissioner Dickey continue to coordinate efforts between government agencies and Boys Town to correct the outstanding drainage issues.

As it happens, Commissioner Dickey has submitted a letter of resignation from the Commission dated March 30, 2000 effective April 1, 2000.

I was invited to comment and submit my written response to the Office of Zoning no later than the close of business Friday, March 31, 2000 so that copies may be distributed to the Board prior to its April 5, 2000 decision meeting.

Ms. Kress, for the Office of Zoning to give such short notice is inconsiderate to say the least. The short turn-around does not allow for any changes in any area that may have occurred since the February 23, 2000 hearing.

Therefore, in view of the foregoing, I respectfully request an extension of time for comment. Thank you for your kind attention to this matter.

Sincerely,

Norma M. Broadnax
Chairperson
