Re: BZA Application No. 16536

Dear Madam Chair:

I am writing this letter to be certain that the Board of Zoning Adjustment knows my position with respect to the above-referenced application concerning the variances necessary to construct a 110 foot tall apartment building at the corner of 14th and N Streets, N.W.

As the Single Member District representative for 12 years on the ANC where this property is located, this letter is to express my unqualified continued support for the project as was evidenced by my vote in support of the project at the October 6, 1999 ANC meeting.

I hope that this letter will dispel any assertion that my position is other than in support of this much needed residential project in our community.

Sincerely,

Jim Brandon
