Subject: Conversion of an "alley lot" to a buildable lot in the 1400 block between Webster and Varnum Streets, N.W., Wash. D.C..

Dear Commissioner:

May I again take this opportunity to respectfully request a hearing date at which time I may present as the architect representative of Mr. Stacy Hamblen my proposed future use of this lot.

I had tried unsuccessfully to request such a date, when I left messages to this effect on the ANC's answering device on both Dec. 8 as well as Dec. 14., Where-upon I received your invitation to appear before the ANC the evening of January 12. This meeting did not take place due to lack of electricity.

May I once again kindly ask for a hearing date.

Yours very truly,

Klaus Klatt
