Re: BZA Application ***# 16550,-*** *for a proposed Subdivision and Construction of Ten Single-family Row-dwellings on an Alley Lot a t the Rear of Premises 1406 through 1424 Webster Street, N.W. Lots 64 Square 2699*

Dear Director:

On January 11, 2000, after two letters to ANC # 4 chairman Flowers, copies of each are herewith enclosed, after no phonecalls had been returned, I received the order to appear before the Board that very evening. When I showed up at the appointed time, the electricity was not available, making a meeting impossible and a new date will be set in the future. My subsequent letter, dated January 30, was answered in the same manner, namely, to appear on February 8, 2000, the same day of his phone call.
With the scheduled hearing date a mere 8 further days away, it is my understanding that no further "evidence" be accepted by the Board within 14 days of the hearing date.

On the other hand, I took the liberty to prepare two additional documents, one,- the enlargement of the site plan submitted to the Board, the other,- a sketch of a possible and alternate front for one of the dwellings. These and the original drawing were shown at this meeting.
I want to submit same into the record, therefore.

Yours very truly,

Klaus Klatt
