Mr. Ferrell,

Thank you and the other Committee Members for the opportunity of speaking in regards to my opening a business on H Street.

After hearing the various questions from the community concerning my business intentions, I felt it appropriately necessary to submit in writing the following concession for Public Notice.

1. There will be no temporary or nightly liquor licenses purchased for or by the establishment known as Dee's Diamond In The Rough Lounge. located at 1335 H Street N.E.. if granted a Public Hall license.

2. I also wish to reassure the committee and community that my sole purpose for seeking to obtain a public hall license is to be able to charge door admission. With such a license I would then be able to open to my Sobriety Member clientele. Without such my business will be subjected to suffer severe financial hardship being alcoholic beverages won't be sold for profit.

Again I wish to thank the board for their support and consideration regarding this request. for I believe that the decision made will be beneficial to all involved.

Sincerely,

Dora D. Hunter
