Dear Zoning Director,

I am writing in reference to the zoning request of Dr. Lynne Horvath and Michael Petite (Lauren Condominium, to be heard on March 1, 2000.

Since 1986 I have been a tenant in the Lauren, conducting a psychotherapy practice. At present I am planning to move from the building and thus, have no vested interest in the outcome of this case. However, I know the building and Dr. Horvath well. She is a respected professional in the psychology field. Her practice is conducted in the most respectful manner. The clients who consult with her are in no way disruptive to the other members of the Lauren Condo. community. She has my complete support in this manner and I hope you will grant her the proper zoning certificate.

Sincerely,
Mary Brennan
