Re: G.W.U. BZA CASE 16553

Dear President Trachtenberg:

Thank you for your letter of December 1999, written from one neighbor to another. As a senior handicapped resident in Foggy Bottom, I want you to know how much I appreciate the opportunities the University has offered to me. In the time I have lived here I have attended approximately fourteen classes, which included art, political science, and sociology, among others. As a former student of UCLA I value the continuing of my studies.

Every professor has been understanding and helpful to me, as a handicapped senior. I am particularly grateful for Professors Arthur Hall Smith and William Woodward. Under their tutelage I have experienced tremendous growth in my artwork.

Thank you again.

Sincerely,

Elizabeth Anne Newton
