Re: G.W.U. BZA CASE 16553

Dear Steve:

Thanks so much for your prompt follow through on our conversation about GW having a representative on the Metropolitan Board of Directors of Boys & Girls Clubs of Greater Washington. Tyrone Moorer from the clubs will contact John Schauss directly providing him with all pertinent information and schedule him for a new board member orientation meeting. I think it will be great for both GW and the clubs.

Incidentally, with respect to the closing reference in your letter about serving the District of Columbia, I met with Mario Morino last week who admonished me to use "nation's capital" in lieu of "District of Columbia" as a reference that conveys a better image and reminds all Americans that Washington, DC is their city, too. I am accepting his advise and pass it along to you for your consideration, especially as you are one of the most visible and effective spokesmen for our capital city.

With thanks for all you do in the educational and civic communities and best regards.

Sincerely,

Tim
