RE: The George Washington University Campus Plan
Board of Zoning Adjustment Application #16553

Dear Members of the Board:

I am writing in support of the George Washington University Campus Plan and the Board of Zoning Adjustment Application #16553.

I urge your support of George Washington University's request.

George Washington University is one of the main reasons the Foggy Bottom area has been a preferred place to live in the District of Columbia and I am convinced that the University will continue to be a force for the neighborhood stability and economic growth.

As General Manager of the State Plaza Hotel I clearly recognize the benefit that such a prestigious organization brings to the business community. Realizing that the Campus Plan process would be sensitive to the needs of the neighborhood I am certain that an enhanced presence of the George Washington University in Foggy Bottom continues to be an invaluable asset to the District of Columbia.

Thank you very much for your attention to this matter.

Sincerely

Donald F. Schoen
General Manager
